

COMING OUT PRO-VAX: VOICES FOR VACCINES' OCTOBER MEMBER CALL

Tuesday, October 15, 2013

Noon Eastern Time, 9 am Pacific

Register by emailing: info@voicesforvaccines.org.

Writer JJ Keith published an article in the Huffington Post that she thought would generate some interest. After almost half a million people shared her piece, she realized how big and important the topic was. So what generated such buzz and excitement?

[I'm Coming Out... As Pro-Vaccine.](#)

Join us by phone on October 15 to hear JJ speak about what led her to coming out as pro-vaccine, the response she's received, and what we can all do once we realize how important it is to openly and vocally advocate for on-time immunization.

If you'd like to register for the call, you must email us at info@voicesforvaccines.org.

JJ Keith's work has appeared on the Huffington Post, Salon, Babble, [theRumpus.net](http://therumpus.net), xoJane, The Nervous Breakdown, the Sydney Morning Herald, iVillage Australia and more. She lives in Los Angeles with her husband and two kids and her first book will be out next fall from Skyhorse Publishing. Her website is at <http://jjkeith.net>.
